Name: Samuel Alexander Nuñez Flores

Age: 25 years
DUI: 04687213-6
NIT: 0511-150792-103-0
Address: San Salvador, San Martín, Col. Santa Teresa, PJ 15B #45

Phone: +503 7653 1541
E-mail: 9nsamuelf2@gmail.com

Skills

- ❏ Software Development (Java, Python, HTML, Angular JS, Play Framework, Django).
- ❏ Knowledge on Developments Methodologies (SCRUM, RUP) .
- ❏ Relational databases implementation
- ❏ AWS (EC2, S3, RDS, SES)
- ❏ Intermediate/Advanced System Administration GNU/Linux (OpenVPN, GlusterFS, HaProxy, OpenStack).
- ❏ Intermediate Windows Server 2012 & 2016 (Active Directory, DNS, IIS, NBL, DFS)
- ❏ Basic Asterisk administration.
- ❏ Knowledge on Information Security (PFSense, SonicWall, IPTables).
- ❏ CISCO Routing and Switching configuration..
- ❏ Design and implementation of service architectures with redundancy and high availability.
- ❏ Structured cabling for networks
- ❏ Intermediate english level.

Experience

Universidad de El Salvador / Assistant professor

2017 FEBRUARY -2017 DECEMBER, FACULTY OF ENGINEERING
PHONE: 2235-7035 (Ing. José Maria)

Technical Experience: preventive and corrective maintenance to computer equipment, software configuration used by the faculty of Engineering.

Human Experience: ability to work as a team and distribute work.

Universidad de El Salvador / Technical support (social service)

2017 JULY -2017 NOVEMBER, FACULTAD DE ECONOMÍA
PHONE: 2521-0210 (Marisol)

Technical Experience: configuration of CISCO equipment, installation of telephone and data points, handling of fiber optic fusion tools, technical support.

Human Experience: ability to listen to users and act as mediator.

Digicel S.A de C.V / Help Desk

2016 SEPTEMBER - 2016 DECEMBER, IT DEPARTMENT
PHONE: 7306-0018 (Ing. José Flores)

Technical Experience: maintenance of computer equipment, technical support to internal personnel, corporate software configuration, incident resolution.

Human Experience: responsibility, orientation to the user.

Avalogics Digital Agency / System Administrator

2017 DECEMBER - 2018 APRIL, INFRASTRUCTURE DEPARTMENT
PHONE: 7477-5277 (Lic. Rocio Rauda)

Experiencia técnica: Configuration of Windows and Linux Servers, DNS, Active Directory, IIS, Network Load Balancing, Hyper-V, DFS, OpenLDAP, SonicWall, Apache Cassandra, DataStax, Bash Shell Script, AWS (EC2, RDS, S3, SES).

Experiencia humana: Ordered, Solution of complex problems.

Studies

Universidad de El Salvador / System Engineering

2012 - 2018

Learning in software development, work methodologies, computer project management, computer security, databases, use and implementation of information technologies.

Instituto Santa Lucia / Electrical Tech

2008 - 2010

Learning of residential and industrial electrical installations, management of tools and electrical equipment.

INSAFORP / Course Implementation of Networks with Structured Cabling

JANUARY 2016

Learning in the management of structured cabling and fiber optic tools, installation of telephone and data points.

INSAFORP / Curso Instalacion y Configuracion de LAN en equipos Windows

JANUARY 2016

Learning in configuration of physical network topologies, Windows TCP / IP configuration.

Acknowledgments

UNIVERSIDAD DE EL SALVADOR / Diploma Third Place Student of Computer Systems Engineering 2012.

SEPTEMBER 2012

Recognition for performance and academic performance in the Computer Systems Engineering career.

UNIVERSIDAD DE SAN CARLOS DE GUATEMALA / Diploma for training delivery.

JULY 2017

Recognition for the delivery of the workshop "*Implementation of Web Services with High Availability and Redundancy*" during the Central American Congress of Computing for Development held at USAC (Quetzaltenango, Guatemala).

UNIVERSIDAD DE EL SALVADOR, SAN MIGUEL / Diploma for training delivery.

OCTOBER 2017

Recognition by teaching workshop "*Configuration of Telephone Centers for Remote Communications*" UES, San Miguel.
